With reference to the above, I write to state that Sri S. Venkataramanappa was designated as Foreman in G.O No. 8484-6/ I & C.335-48-2 dated 31-5-1949 and this was subsequently revised to that of an Asst. Foreman consequent on the revision of pay and grade scale to all the Industrial establishment of Government Industrial Concerns as per G.O. No.D.3923-31 I & C 318-48-2 dated 26-11-1949 with effect from 1-10-1948.

Consequent on the revision of Mechanic's post to that of a Foreman sanctioned in G.O. No.I.5123-5/Ind.162-54-5 dated 9-3-1955 Sri S. Venkataramannappa has represented that his previous designation of Foreman approved in G.O. said above be restored to him. It is to be stated that Sri S. Venkataramanappa happens to be one of the Senior most employees of the factory having to his credit 19 years of service and is quite efficient in supervisory work. In view of the expansion of the Government Soap Factory in the near future for increased production at the new buildings which is under construction at Rajajinagar it is very necessary to have two foremen, one for the technical side (i.e., maintenance of the machinery) and another for production and finishing side.

SECRETARY DEVELOPMENT DEPARTMENT
Government of Mysore

Copy of Resolution passed by the Board
at its Meeting held on 16-1-56 Subject No.32

BOARD OF MANAGEMENT FOR INDUSTRIAL CONCERNS.

Subject: Representation of Sri S. Venkataramanappa, Assistant Foreman, Government Soap Factory, Bangalore.

Read letter No.I 3395 dated the 28th November 1955 from the Secretary to Government, Development Department forwarding a copy of letter No.2289/55-56 dated the 24th August 1955 recommending that Sri S. Venkataramanappa may be designated as Foreman (Productio n and Finishing Sectio n) on his own grade pay of Rs.75-7½-150.

Sri S. Venkataramanappa was designated as "Foreman" in G.O.No.8484-6/I&C.335-482 dated 31st May 1949 and subsequently his designation was revised to "Assistant Foreman" consequent on the revision of scales of pay to all the employees of Government Industrial Concerns (vide G.O.No.3923-31/I&C 318-482 dated 26th November 1949) with effect from 1-10-48.

According to Annexure 'A' of the above Government Order the scales of pay approved for the posts of "Foreman" and "Assistant Foreman" are as under:

Foreman	...	Rs.150-10-200
Assistant Foreman		Rs. 75-7½-150

As the scale of pay for the post of Foreman in the Govt. Soap Factory was fixed at Rs.75-7½-150 the designation of Sri S.Venkataramanappa was revised to "Assistant Foreman" at the time of approving the revised scales of pay to the employees of the Government Soap Factory.

The post of Mechanic (on Rs.70-5-120) in the Government Soap Factory has since been upgraded as "Foreman" on Rs.75-7½-150 vide G.O.No.I 5123-5/Ind.162-54-5 dated 9th March 1955. Consequent on this revision Sri S. Venkataramanappa has represented that his p revious designation of Foreman be restored to him.

It is stated that Sri S.Venkataramanappa happens to be one of the Senior most employees of the Factory having put in 19 years of service and is quite efficient in Supervisory work.

The Additional Director has stated that in view of the expansion of the Government Soap Factory, it is very necessary to have two foremen, one for technical side (i.e., maintenance of the Machinery) and another for production and finishing side.

He therefore recommends that Sri S. Venkataramanappa may be designated as Foreman (Production and Finishing Section) on his own grade pay of Rs.75-7½-150.

RESOLUTION: Both ~~them~~ of them may be designated as Assistant Foreman. The proposal may be recommended to Government for approval.

The Honourable Chief Minister to
The Government of Mysore,
BANGALORE.

Respected Sir,

JCM

I beg leave submit to your honourable self the following few lines for your favourable consideration and necessary orders:-

My son Sri C. Gangiah was appointed as a Mechanic through the Public Service Commission in the year 1952 (14-7-1952). I also understand that he happens to be the only qualified L.M.E. candidate available at the factory even now. During 1954 when Sri M.S. Swaminathan was the Director of the Government Coop Factory, he was pleased to consider my son's case on merits and recommended to Government that Sri Gangaiah should be designated as Foreman by suitable upgrading pay. This was sanctioned by Government after careful consideration. This has been also approved by your kindself on 28-2-1955.

In the meanwhile it is learnt that one Sri C. Venkataramanappa who was working as a record keeper and who was lent to Wood Department for a period of over 15 years from Government Coop Factory is claiming seniority over the Foreman (Sri C. Gangiah). It is also understood that some interested persons have recommended his case to the higher authorities and who in turn haven already recommended his

his case to Government. It is also learnt that the designation of Foremen sanctioned by your goodself has been recommended to be reduced to that of an Assistant Foreman i.e., to the grade of Sri S. Venkataramanappa.

In this connection, I respectfully submit that no one can think of any seniority between a technical and non-technical man. It is not known how a records Clerk was designated as Assistant Foreman of the Factory that too when he was working actually in the Food Department. This seems to be rather a novel in our Government. It is also not known how our Officers of Government dealt with this matter. I am given to understand definitely that Sri S.Venkataramanappa was actually in the Food Department when his allocation as Assistant Foreman was took place in 1950. This has been done without any justification and also in spite of the ruling by the Public Service Commission. The Public Service Commissioner had also stated that Sri S. Venkataramanappa was not fit to be the Assistant Foreman.

In the circumstances, I respectfully beg of you to kindly consider all the aspects stated above and issue necessary orders to the concerned authorities not to disrespect your next goodself's own orders which was passed more than a year ago. I hope you will keep up the prestige of the Government Order and your subordinates should be warned not to comment on such orders already passed by your honour in these matters. Begging to be excused and hope that your honour would uphold justice in this peculiar case by confirming the orders already passed by your noble hands.

With reference to your letter No.54 dated 8-4-1952 on the above subject I write to inform you that your letter was placed before the Mysore Public Service Commission on 10-4-1952.
